Receive \$5.00 Cash Credit per account when you switch to eStatements

Funds will be credited within 10 business days of enrollment
(one-time credit per account, offer expires March 31, 2012)

Why is an electronic statement better than paper?

Faster Access – Go paperless and you can review your statement online the minute it is ready. eStatements are typically ready before paper statements are even mailed.

More Secure – Paper statements can get stolen or lost in the mail. Your eStatement and important account notices can only be accessed by you via **VIPbanker™**.

Environmentally Friendly – eStatements are an easy way to cut down on paper usage and help protect the environment.
